UPTREND in Europe

UPTREND is also present in Europe. Thanks to this, customers in the local market get better sales service distribution and projects investment service.

The headquarters of the company is located in a modern warehouse building located at ul. Przyszłości 21, 05-552 Łazy, Poland.

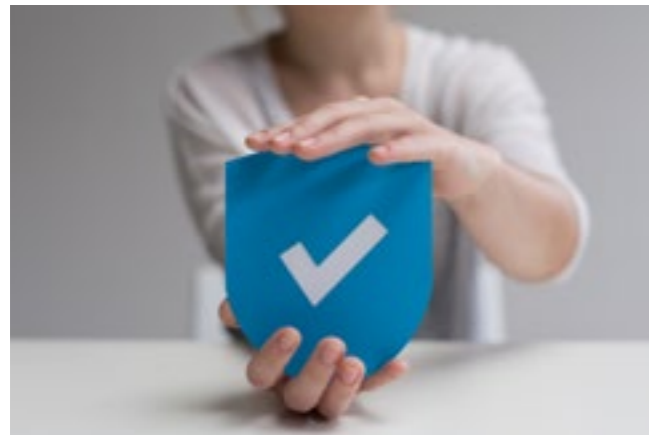

The logistics department is responsible for efficient shipping ceramics to your company.

A warehouse with an area of 4,000 m² allows us to keep high stocks and always deliver the ceramics on time.

Why is it worth choosing UPTREND products?

Warranty for ceramics
10 years

High durability ceramics

Maximum hygiene and
protection against bacteria

Ease of cleaning

Ecological production

Full color and broad color
selection

How is UPTREND made?
